Hillview Peak is located at 101 Hillview Rise which is located at a quiet and peaceful location within the Hillview estate. The condo itself is right beside the mall, HillV2 and is about 650m from Hillview MRT. Up for sale is a beautifully renovated ground floor unit in Hillview Peak. Located at a corner within the Hillview Peak development, the unit comes with high-ceiling and an almost north-south orientation. The direction walking in through the main door is south. The unit is currently owner occupied and comes with 4 bedrooms and a nice patio space that is sheltered. The generous patio space is a perfect spot for outdoor dining or gardening. It comes with a small gate that leads to the pool which is only a few steps away. A waterfall spring hugs the patio space which is simply gorgeous. 4 bedroom ground floor units rarely come up for sale in the Hillview estate. If you love ground floor units, do not miss this wonderful opportunity.
