Wallich Residence occupies the highest floors of Tanjong Pagar Centre, an ambitious vertical city that comprises a dynamic mix of commercial, residential, retail, hotel and urban park components. Rising directly above Tanjong Pagar MRT station, this new global icon is set to position Tanjong Pagar as the premier business and lifestyle district in the CBD. Wallich Residence is part of the latest visionary development by GuocoLand, a leading regional property company that places quality, innovation and environmental sustainability at the core of every project. GuocoLand's portfolio of premium residential, hospitality, commercial, retail and integrated developments region-wide includes 34 residential projects in prime districts in Singapore. With four levels of amenities, from the hotel-inspired Wallich Concierge Service and the stunning infinity pool at level 39, to the private library on level 52 and breathtaking observation platforms on level 62, Wallich Residence is a tower that stands apart. Not just by its sheer height, but also by the quality of the life one experiences here.
