From the moment you enter this private oasis in Panama City you escape the hustle and bustle of Panama's capital and transported into the tranquil residential paradise of Punta Pacifica. When you enter Oceanaire you can't help but notice a meticulously maintained lobby and an infinity pool that borders on the edge of the Bay of Panama. A quick elevator ride up 1 of 4 high-speed elevators and you're just outside your front door. The apartment is filled with an abundance of natural light thanks to the floor to ceiling windows that provide you with the most spectacular views of Panama City. Beyond those windows is the balcony that stretches from the living room to your master bedroom and when the sliding glass door is open your home will be filled with fresh ocean breeze day after day. The kitchen comes equipped with an LG stainless steel refrigerator, LG stainless steel dishwasher, and an electric stove and oven. The open kitchen layout is perfect for entertaining friends and family. Your living and dining rooms are tastefully furnished. The dining area has a beautiful glass table that is large enough to comfortably seat 4. The living room was designed to let you relax after a long day in the genuine leather electric recliners while watching the flat-screen HD television. In your master bedroom you will be able to roll out of your king-size bed, open the private door to the balcony, and enjoy your views of the Panama City skyline. Oceanaire also comes with a well-equipped gym, social area, sauna, WiFi-room, and children's playground. The infinity pool area includes a jacuzzi, kiddie pool, sundeck, and a bar perfect for parties. Contact: Matthew Marx Office: +507 320-4310 Mobile: +507 6780-3102
