Impressive house newly constructed (2011) which has 300sq.m built on a private plot of 1.5 hectares. It is located just two minutes from the beach by car between the two most important towns on the island, the capital San Francesc and San Ferran. This fantastic property offers 4 rooms all exterior with access to the garden. The master-suite is very spacious, it has a bathroom with bathtub, large closet and skylights in the ceiling that give it natural light. The other 3 rooms also have their own bathroom, air conditioning and individual heating and plenty of natural light. The house offers sets of air conditioning and heating in all rooms. The floor is high quality porcelain. The kitchen is modern and has access to the pool and immediate access to the living room. Complement housing: a bathroom, laundry and parking. In addition, the large plot has olive and lemon trees, among others, that embellish the views in all directions.
