LUXURIOUS & SOPHISTICATED - 2 BED 2.5 BATH APARTMENT The epitome of class, style and sophistication. Uniquely designed and inspired by trendy New York apartment style living - this apartment has everything you will need and more! Generously proportioned with a state of the art island style kitchen that flows seamlessly into a dining room and living room that is flooded with natural light. All this excellently flows out onto a covered balcony with a built-in gas braai. The kitchen is beautifully finished with engineered stone counter tops, high gloss duco cupboards, a fridge and freezer, a gas and electric stove with a large undercounter oven and fully integrated Siemens appliances. This apartment is impeccably finished off with the following: 3 metre high ceilings with light and spacious rooms, porcelain floor tiles, laminated wood flooring, underfloor heating and air conditioning, home automation and programmable lighting Extras include a study area with book shelves, a guest cloakroom, a storeroom, a lift lobby providing access from the basement parking to the apartment, CCTV cameras with offsite streaming and real-time 24 hr monitoring.
