Penthouse with terrace. Exclusive two-level apartment with author's design from Victoria Gres. It is planned for 4 bedrooms, a dressing room, 3 bathrooms with a bathroom, 2 bathrooms, a spacious kitchen-studio, a guest room and a separate laundry. The huge advantage of this apartment is a terrace with a panoramic view of the whole city! The apartment is absolutely new, no one lived! The finishing used high-quality natural materials, harmonious color solutions and soft transitions. A bright high!
