This 4 bedroom condo is located on the Gold Coast of Panama in Coronado. It is situated on a beautiful beach front along Playa Coronado. You can step out of the building onto the beach and walk for miles. The beaches are lovely and the views even better! When you walk into this condo you look out through floor to ceiling windows at the Pacific Ocean. With the southern exposure, you watch both the sunrise and sunset from the terrace. This beautiful 243m2 unit has views of the Pacific Ocean and the Campana Mountains. Enjoy the breeze that cools you and the apartment. No need for the 5 separate air conditioning units the condo offers. This 4 bedroom, 4 bathroom condo is located on the 14th floor of Tower 300 in the exclusive PH Coronado Country Club. Each bedroom offers a full bathroom and ocean or mountain views. The building was completed in 2006 and still offers tax exemption. The condo is offered at \$486,000 and is yours to furnish and decorate to your taste. Coronado Country Club has a resort style pool with 5 Jacuzzis, 2 tennis courts and a gym. This building is located in the famous gated community of Coronado which offers many shopping centers, complete with banks, restaurants and other amenities.
