It reminds me of a private resort... within a resort... on a beach. Remodeled in all the right places with amazing class and sass, spunk and fun. High-end finishes and modern design has replaced the old, with enough remaining Spanish design to remind you that 'This is PANAMÁ!!' This home is full of life and ready to entertain, to enjoy your family and friends, or to relax and treat yourself to a spa day right in your own master suite or backyard. Within the Playa Blanca Resort you can take your water toys over to the giant pool, which could fool you into thinking it is a lake. Or, go take a walk on the beach... that is, if you ever want to leave home.
