Just completed! New young and trendy modern home and cottage, set in a quiet street of 24-hour Bryanston East enclosure.

R8 750 000

Set in a quiet street of a super secure enclosure of Bryanston East, this brand new and ready-to-move-in home with quality finishes, high ceilings and a great flow offers spacious receptions that open outdoors to a magnificent garden and swimming pool.

The open plan design features a fireplace and easy access to the gourmet designer kitchen with ample light, workspace, cupboards, pantry and mudroom.

Light and sunny, north-facing bedrooms include the luxury main suite with a fireplace and a tropical outside shower, guest cloakroom, double garage, outside cloakroom, staff suite, outside laundry, separate work-from-home facility, gym or cottage with open-plan lounge and kitchen, patio and bedroom suite.

The developer is willing to make minor modifications according to your requirements, such as:

Build library shelves outside the main suite, install built-in desks in a study, create a motor court and convert the cottage into an additional 4 garages.

Under roof size: 610 sqm

Erf size: 2012
