Cluster with soaring rafters, vaulted ceilings, and glass walls... - Doesn't that sound amazing? IT IS, and it must be seen! The emphasis is on open-plan living at its best, with sunny windowscapes and indoor/outdoor living integration.

The wine cellar connects to the expansive dining room, family room, and gourmet designer kitchen, which features stunning hanging lights over the center island, an integrated fridge and freezer, a free-standing gas burner, a separate scullery, and a walk-in pantry.

5/6 Sensational air-conditioned bedrooms with en-suite bathrooms, study nooks, and excellent imported finishes (bedrooms are not entirely separate - great for an elderly family).

Beautiful patio with a wooden covered pool and established vegetation.

Double garages, as well as off-street parking, and an excellent staff suite. Walk to Crawford School from a secure 24-hour monitored estate.
