The Wahlberg offers modern city living at its finest, with a focus on space, privacy, and contemporary styling, all within a double access-controlled road perimeter for top-of-the-line protection and total peace of mind. The Wahlberg consists of 23 excellent freestanding homes with huge 3, 4, and 5-bedroom layouts, all close to Melrose Arch and the M1 freeway. A valued location, unrivaled architectural design, and stringent, cutting-edge security.

The landscaping compliments the architectural design of the Wahlberg, producing a unified look that extends to the wide verges and pavements. Residents may walk and bike along lush gardens and pathways beside the roads, while modest internal barriers and screens create a welcome sense of privacy at each street entrance. A huge 300m2 central garden area with professionally maintained grounds adds to its tranquil, park-like setting, providing The Wahlbergs' families with much-needed space to play, relax, and unwind in a perfectly secured and scenic surroundings.

Graceful, sumptuous, and functional - everything you've ever wanted for your dream home.
