Beautiful cluster on a quiet street near Bryanston Country Club. The best spot in the building. Motor court and double-volume door that make you feel welcome. Open floor plans and high ceilings.

There are four bedrooms, and each one has its own bathroom. The guest suite is especially large and opens up to the outside. Look it over.

Heating under the floor.

Electric fences and double gates keep the cluster safe.

Patios look out over the amazing, award-winning hillside garden that has a fire pit and boreholes for watering. There are rooms for staff and three garages.
