This beautiful Georgian manor with views was just finished and is located in a quiet street in Bryanston East, in a sought-after safe area with 24-hour security. Surrounded by water features that create a peaceful atmosphere.

You are greeted by a double-volume entrance and large, high ceilings. There is a formal living room with a fireplace that can be used in both directions. The dining room has a wine cellar built into the wall and opens up to the party patio. Drinks bar with a sink and black Caesarstone tops. There is an open-plan luxury kitchen with white marble countertops, an oven, a microwave, two warmer drawers, a coffee machine, and both electric and gas ranges.

The main bedroom downstairs has a fireplace, his and her dressing rooms, a designer bath, and a huge double shower. It opens up to the pool area. Three-Level Theater.

The pyjama room on the second floor leads to a balcony with a braai area. Four bedrooms with their own bathrooms and decks. Look it over.

There are two balconies with views of the city of Sandton. Bar for drinks with a bowl.

Room for staff with a living room and a small kitchen. 4 Carports.

The owner is open to proposals.
