We are pleased to offer for rent a tastefully remodelled four-bedroom home in the coveted Morningside neighbourhood. Situated in the sought-after West Road South neighbourhood, this cluster home embodies elegance and sophistication. Tucked away in a gated neighbourhood with round-the-clock security, this outstanding cluster home guarantees your complete peace of mind while highlighting a strong sense of community that values privacy and safety. It offers you a calm and beautiful setting that is protected from the main road.

As soon as you enter this stunning home, natural light streams in from all sides, filling every nook and cranny. The inside has modern finishes that follow the newest trends in design, while the façade displays traditional architecture that exudes elegance and grace. This tasteful combination of a timeless atmosphere is created with contemporary features.

The home welcomes you with a private driveway that provides plenty of space for family members and guests to park, adding to the unique feel of your living space.

This exceptional home offers a host of amenities and features, including:

- Private Driveway
- Welcoming grand entrance
- Spacious open-plan living areas, encompassing dining, living, and a well-appointed bar
- Open-concept kitchen with a separate scullery, center island, and walk-in pantry
- Four bedrooms
- Four and a half en-suite bathrooms
- A generous covered entertainer's patio with a pizza oven
- A private landscaped garden
- A luxurious pool
- A cozy fire pit
- A three-car garage
- Staff accommodation

Privacy is paramount in this cluster, and it offers an abundance of it. Noteworthy features include a substantial generator to eliminate concerns about power outages, plantation security shutters, a bioethanol fireplace in the living room, a built-in entertainer's bar with seating, and a small, exclusive community of only 12 exceptional homes.

Additional conveniences include an automatic sprinkler system, premium SMEG appliances, CCTV, and a state-of-the-art smart alarm system, among others.
