This spectacular and captivating property is best described as a one-of-a-kind creation in an art gallery setting... Sandton Country Club Estate offers a calm contrast to the hustle and bustle of Sandton, despite being only a short distance away. Location is ideal within a gated Lifestyle Estate. This modern masterpiece contains neutral undertones with wooden flooring and cladding, as well as stunning wall features of Mother of Pearl, Abalone shells, and an eclectic blend of 3 dimensional contemporary and traditional art. The guest suite is reached via the double-volume entrance hall. Upstairs, there are four other bedroom suites, as well as a sundowners patio off the master bedroom. Three elegant reception rooms open into a big enclosed patio with stacking doors that cascade onto a pool with a gorgeous zen-like garden and children's play area. Creating a seamless transition between interior and outdoor living spaces. A fantastic gourmet eat-in chef's kitchen with a central island, separate scullery, and a modern design cocoon fireplace that promises to offer excitement and warmth while generating a sizzling atmosphere. Tennis courts and a play area for children are available on the estate's clubhouse. Feel what it's like to be free!
