About the Estate:

The well-known Country Lane Estate is right next to the Rietvlei Nature Reserve and has a lot of open areas and paths. The horse stables and school on the land are nice extras.

Just a short drive from the estate is the Irene Village Mall, Waterkloof High School, and O.R. Tambo International Airport, which is only 30 minutes away.

This beautiful two-story home in the highly sought-after Country Lane estate has a view that will make you want to host a party. Plenty of room for little kids to play safely in the yard, which is quite big. This house has a lot of personality and feels like a home. This big, four-bedroom house has lots of living space, so it's perfect for a big family. There is a separate wine cellar downstairs for people who like wine. It has plenty of room for a bigger wine collection.
