This U-shaped house has 4 bedrooms and 4.5 bathrooms. The master bedroom is on the first floor, in the right side, near the family room, dining room, and built-in solid wood bar. The other three bedrooms are on the second floor. Each one has its own private balcony. The living and dining rooms on the left wing have vaulted ceilings and doors that lead out to the yard. This house also has a separate study that could be used as an office. It's big, with a walk-in closet, two ovens, a separate scullery, and a breakfast nook. Two of the sheds are the right size, and one is even big enough for a golf cart. A place for staff to live is an added plus. Enjoy the peace and quiet of the large golf course and walking paths while taking long walks on this lovely farm. Buyer's tax is charged at a rate of R34,400.00 for 2023–24.
