This large home is great for a large, extended family and is right next to a park. The park is just a short walk from your yard, making it a great place for kids to play.

There is plenty of parking in front of the building, as well as a beautiful entrance and a waterfall that really stands out.

The main house has 5 bedrooms, 4.5 bathrooms, 2 study rooms, and 3 different living rooms. The enclosed entertainment area is big and has a braai built in. Stack doors lead out to the yard.

For the serious cook, the kitchen has two ovens, an electric stove, an extractor fan, and a large scullery.

Downstairs, there is a one-bedroom apartment with its own bathroom, kitchenette, and garage.

There are 3 automatic garages that lead straight into the house. One of the garages is part of the flatlet.

Call me right away so you don't miss this great chance to own your own home in this private, family-friendly land. This house will need some work. Sole and exclusive mandate.
