Off the grid, this lovely home faces north and gets lots of sun. (12 panels of solar power, a 10kwh inverter, and 2 batteries).
It was cleverly planned and was recently updated with metal doors and windows.
Your garden is tucked away and looks out over a green area. This makes the pool and garden very private and great for having people over.
You can call this house home, and it's ready for you to move in!

About this house:

Do you want to buy a house that has a view of a green area and a beautiful morning or sunset?

Five rooms are in this house. The house has a big study, a lounge with a fireplace, an open-plan dining area, a private living room, and a patio with a built-in braai that looks out over the brand-new pool.

The main bedroom on the ground floor is huge and has its own bathroom and dressing room. There is also a study, a guest toilet, a kitchen with a scullery, a private lounge with a fireplace, a TV room with a fireplace, an open-plan dining room, and a patio with a built-in braai. There is also a bathroom and a room for guests. First floor:

Spacious 3 bedrooms, two bathrooms, kids' pajama lounge and a spacious balcony.

There is an outside building ideal for working from home with a separate entrance that will not disturb your household.

The house is perfectly position to make space for ample parking for visitors or clients.
