Your home is where you and your family spend quality time together every day of the year.

There is a separate entrance to the flat from the main house and it has a big bedroom, bathroom, kitchen, living room with air conditioning, and a balcony. This flat is perfect for grandparents or older kids who aren't in school.

The main house has a study, a playroom/sewing room, a kitchen, a laundry room, a dining room, a lounge, and three bedrooms. The lounge and dining room both have gas fires.

The leisure area is very big and enclosed. It has a large room with a small kitchenette, a separate bathroom, and one extra-long garage. The American curtains that cover the whole area make it feel great. The room for fun can also be used as a second apartment. There are beautiful lawns, a braai area outside, and a big pool in the yard.
