From the second floor of this fancy flat, you can see the most beautiful views. When you walk inside, you'll see a modern open-plan kitchen with SMEG tools that are built right in. This moves smoothly into a large dining room and living room that connect to a private balcony that is 35 squares in size.

With full bathrooms and built-in cabinets, both of the bedrooms in this apartment are the epitome of comfort and ease. With air conditioning and a patio right outside your door, you can enjoy beautiful views every morning.
