This house has a lot of room and is in a great spot, close to everything and easy to get to the highways. It is in a safe area with 24-7 security. You have a two-car garage that leads into your home. When you walk in, you'll find the kitchen and sitting room, which lead out to a private patio with a roof and then to your garden. There are three bedrooms; the master has its own bathroom, while the other two share a bathroom. Feel free to call us to set up a watch.
