When you walk into this house, you'll find a beautiful and friendly foyer. There are doors all the way around the kitchen that lead to a deck with your pool. The kitchen is open to the dining room and living room.

The scullery and kitchen are separate.

You have a patio area outside that is covered and great for parties. It makes you feel like you're outside, but you're still safe.

There is a third bedroom with an en suite bathroom and another living room downstairs.

There is a sleeping lounge and three bedrooms on the second floor. All of them have full bathrooms attached to them, and the master has the most beautiful bathroom and the biggest walk-in closet. Beautiful views can be seen from the main.

Up another flight of stairs is a flatlet with a kitchenette, a bathroom, a large room, a study, and a private porch.

This house has a lot to give.
