When you walk into this house, you'll find a hallway that leads to the dining room and kitchen, which are open to each other. From there, you can go down a few stairs to the family room.

There is an outdoor patio with a bar that leads off the lounge. There are beautiful views of the green belt from this patio. Large yard with an indoor pool that is heated.

There is a guest bedroom downstairs with its own bathroom that has a shower and can also be used as a guest toilet.

There are three bedrooms on the second floor. Two of them share a full bathroom, and the master has its own bathroom with views and a kitchenette.

The main bedroom is very big and has a view of your green belt. You also have your own balcony where you can sit back, rest, and enjoy the view. From the deck, you can go downstairs on these spiral stairs.

There is a loft on the second floor that can be a fifth bedroom, a study, or even a place to hang out in your pajamas.

Two-car garage.

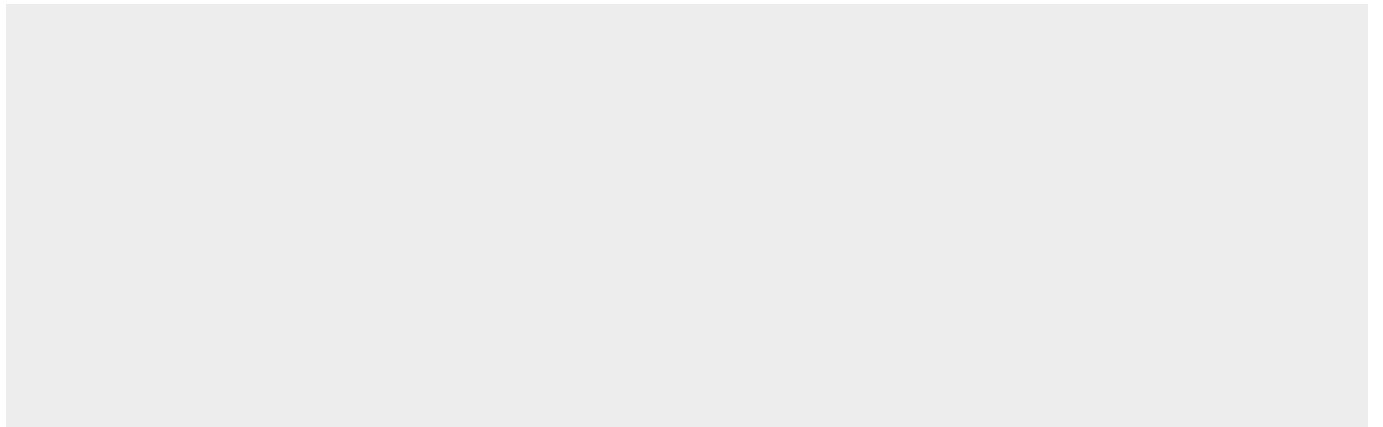

Housing for staff.

An inverter for backup power.
