When you walk into this house, you'll find a door that leads to the rest of the rooms. To your left, there is a dining room, a living room, an open kitchen, and a separate scullery. The family will spend a lot of time in this area, and it's beautiful. It leads from the living room to a covered patio with a braai that has a view of the private yard and the clear blue pool. There is a guest bathroom and a store room to the right of the front door. After that, there is a beautiful staircase that goes to the second floor of the house. When you get there, the main bedroom is on your left, and it has a walk-in closet, a full bathroom, and a private balcony with stunning views. You have a room with the study and the pajama area. This room could be a gym or even a fourth bedroom. This room has a patio and air conditioning. Upstairs, there are two more bedrooms. One has its own bathroom with a shower, and the other shares a full family bathroom. Everything in the bedrooms is built-in, and all of the bedrooms face north and have decks. There is a double garage that leads into the house. There is a bathroom in the staff room. The inverter. This home is a must-see. It's in The Boulevard, a safe building in Rivonia that's right in the middle of everything and close to everything. Please call us right away to set up a showing.
