A-grade business building, between Rivonia Road and Ferguson Road. It is in high demand. It only takes a short drive to get to this building from Sandton CBD and Rosebank, and it's easy to get to without having to take a long or complicated journey. For people who use this service, the Gautrain bus stops right outside the building.

With landscaped gardens and an on-site restaurant that does catering, this famous three-story building offers a peaceful place to work in beautiful settings. Meeting and boardrooms are shared on the ground floor. Tenants can book these rooms and pay extra per hour to use them. There is a small gym that renters can use for free.

This office space is empty and is on the ground floor. It's 612m². This office is currently set up as an open-plan white box, which means that the new tenant can create their space however they want. The office has big windows, air conditioning, a kitchenette, and a porch where you can get some fresh air.
