This ground-floor unit already has a thoughtful layout and is ready to be moved into right away. This business park is situated on a peaceful road that runs next to Winnie Mandela Drive in the middle of Bryanston. This makes it easy to get to Sandton, Fourways, and Randburg. The park has a safe fence around the outside and 4 buildings that are watched over 24 hours a day, 7 days a week. Each building has a backup generator in case of an emergency. The business park is conveniently located near the Bryanston Shopping Centre, making it easy to get to many stores and services. The 766m2 office space that is offered is on the ground floor. It has a well-thought-out interior that can be used for a variety of work purposes. The welcome area has beautiful wooden floors that lead to a variety of private offices and meeting rooms of different sizes. Some of these areas have decks where you can get some fresh air. There is a large, carpeted open-plan area and a well-equipped pantry that is yours to use only. Contact us today for more information or schedule a viewing.
