Along with an A-Grade rating and a prestigious 3 Star Green Star certification, Ballywoods Office Park is a truly impressive office park. This well-kept property is on Ballyclare Drive, just off of William Nicol Drive. It has several two-story houses set in beautiful gardens with tall trees and peaceful water features.

The office park is in a great spot—it's close to the Bryanston Shopping Center and not far from Bryaneven Primary School. It's easy to get to nearby places of interest like Riverside Shopping Centre, Coachmans Crossing, and Hobart Grove. For the utmost safety, Ballywoods Office Park offers security and surveillance 24 hours a day, seven days a week. An extra engine and water tanks are also in the park.

This open-plan office area is in a white-box state and is for rent. Because the office is a blank slate, you have the exciting chance to change the layout and style to fit the needs of your business. A lot of natural light comes into the office through its big windows, making it feel bright and upbeat. The tenants will be able to use a shared deck, which will be a nice place to get some fresh air and hang out with friends.
