In the middle of Sandhurst, Vdara Towers is a high-end building that is easy to see from Rivonia Road and close to the Gautrain Station and shopping centers. The building is well taken care of and controlled. There is also great security 24 hours a day, backup power and water, fast fiber internet, a great position, and good value for money. The office space that is offered is beautifully decorated in a modern style that makes your business look great. The whole office is made of wood floors, and there is a lot of natural light coming in. There is a separate area for reception, a kitchenette, a balcony that is only for your use, private offices, a big meeting room, and a large open space. From the office windows, you can see the peaceful grounds. Contact us for more information.
