Commerce Square is an A-Grade, multi-tenanted business park on Rivonia Road that makes it easy to get to the city center without having to deal with traffic. A short drive will take you to Sandton City, Thrupps Centre, Wanderers Sports Grounds, and Oxford Parks in Rosebank, among other places.

The office park has 5 separate buildings and a café that is handy for both tenants and visitors. With 24-hour protection and access control, it puts the safety and security of its tenants first. It also has a 5-Star Green Star Rating and different water and power sources in case one goes out. This office room on the first floor has carpeting all over and was already fitted out. It has a kitchenette and a place set aside for workers to take breaks. Even though the office is set up with private rooms, it still has an open floor plan. Large windows let in a lot of natural light and lead to private patios with views of the office park. There are two different entrances to the unit.
