Sandton Close 2 is on the corner of 5th Street and Norwich Close. It is a very safe and well-kept building that has just had a major, modern interior renovation. It's easy to get to Grayston Drive, Sandton Drive, and West Street from this great spot. There are many services, bars, and coffee shops close by, and Sandton City is only a short drive away.

The building boasts 24 hour security, a backup generator and a combination between open and basement parking bays @ R550 and R750/bay respectively.

This office has an existing fit-out in place and consists of:

- Tiled reception area
- Well-lit boardrooms & meeting rooms
- Various size private offices
- Large open plan work space
- Kitchenette for exclusive use
- Executive corner office with private balcony
