This beautiful single-family home is an architectural masterpiece that combines aspects of two and three stories. This business park is for people who want to work in a quiet place. It is tucked away in lush gardens along the Wierda Road in Sandton.

This building has the perfect mix of modern functionality and aesthetic appeal. It is close to the Gautrain stop and right next to the busy Central Business District of Sandton, which includes the famous Sandton City Shopping Centre.

This ground floor office has an existing layout in place and comprises:

- Tiled reception area,
- Private kitchenette & ablutions,
- 2 large carpeted open plan spaces,
- Individual offices with glass partitioning
- Spacious boardrooms & meeting room,
- Balcony access for fresh air.
