Sandton Close 2 is situated on the corner of 5th Street and Norwich Close and is a very well-maintained and secure building that has just undergone a major internal, modern refurbishment. This fantastic location offers easy access to Grayston Drive, Sandton Drive & West Street. There are various amenities, restaurants and coffee shops nearby with Sandton City just up the road. The building boasts 24 hour security, a backup generator and a combination between open and basement parking bays @ R550 and R750/bay respectively.

2nd floor office to let: The office has an existing fit out in place with freshly painted walls. The office comprises of a reception area, ample private offices & meeting rooms. There is a spacious kitchenette and a large executive suite.
