The main building, Main Straight, is of the highest quality and is located in a great spot on Bryanston's busy Main Road. Five different buildings, four of which are single-tenanted and one of which is multi-tenanted. This house is close to many useful places, such as shopping malls, gyms, restaurants, bars, and coffee shops. Main Straight is located between William Nicol Drive and Witkopp Road, making it easy to get to the N1 highway.

There are many nice things about the building, such as green features that save energy, security that is on duty 24 hours a day, backup power, elevators for people with disabilities, and a great frontage and signage chance right on Main Road.

The empty area on the ground floor is 462m² and has a high-end fit-out. The office is fully carpeted and has high-quality, modern finishes. There are several cellular offices with a mix of drywalling and glass walls, a big boardroom with lots of natural light and access to a private balcony, and a well-equipped kitchenette with a break area.

Get in touch with me to set up a time to see this beautiful office.
