This apartment is up high and has balconies all around with the most stunning views of the Mother City and Harbour. The sitting area is large and open, and the kitchen is modern and has a dishwasher and washing machine built in.

This large unit is spread out over two floors. The master bedroom is on the second floor and has a lot of built-in cabinets and an en-suite bathroom. The ideal place to live in the big city.

It is easy to run and take care of the building. This flat is on the city grid, so load shedding doesn't affect it.

It comes with two private parking spaces and a storage room in the basement.
