This is a great freehold semi-detached house that feels like a lock up and go apartment. There are no fees or Body Corporate to pay. It's a dream come true to live that way!!

There is an open-plan living area that flows beautifully to the oceanfront pool terrace and beach below. There are 4 double bedrooms, all of which open onto terraces with views of the sea. There are 3 bathrooms, with 2 en suites, and the luxurious master bedroom is king-size and has a dressing room and en suite that opens onto a private dream terrace with views of the sea. There is direct DG access and parking behind security gates.

Only a few people will want to buy this amazing property, which is being sold for less than its real value.
