Beautifully remodeled family house in the highly sought-after Helderfontein Estate. This 5-bedroom house has large living rooms like a formal lounge, dining room, family TV room, and an open-plan kitchen. The kitchen is a dream because it has all Siemens appliances, including a gas and induction stove, eye-level ovens, a microwave, and a coffee machine. From the kitchen, there is a separate scullery, laundry room, and walk-in closet that lead to the three-car garage. A movie theater room with a wine cellar area in the basement is a great addition. The entertainment areas have a built-in bar, a large covered patio with a built-in braai, and an open patio that could be used as a fire pit. All of these areas have views of the large, well-landscaped yard, the swimming pool, and the nature trail. The main bedroom has a gas fireplace, a big walk-in closet/dressing room, and a full bathroom that is connected to the bedroom. It also has a great view of the greenbelt. There are 5 good-sized bedrooms, and each one has its own bathroom. Notable features also include an energy-efficient home with gas geysers, full LED lighting, an irrigation system, and 3 automatic garages with plenty of room for guests to park and staff to live. You don't want to miss this one-of-a-kind offer! Viewings are only possible by request, contact us today.
