This modern, open-plan home was designed to be comfortable and peaceful for families. The living areas all flow to an all-season patio with stack-away doors that lead to a well-kept yard. There is also a small bathroom, a study, a living room with a fireplace, and a guest bedroom downstairs. There is an eating area, a gas stove, and a separate scullery/laundry room in the good-sized kitchen. There are 4 bedrooms and 3 full bathrooms on the second floor. The master bedroom has a large en suite bathroom, air conditioning, and lots of closet space. You can find a second study or exercise room upstairs. The family lounge, dining room, formal lounge, and entertainer's patio with views of the pool and yard are all beautiful reception rooms. The house has space for staff, storage, two double garages with automatic doors, and is fiber ready.
