Beautiful haven. The entrance has two levels and a wide stairs. With frameless windows, stack away doors, skylights, and controlled air conditioning, you can get a lot of space and light. There are three bars, two studies, an entertainment room, and a pajama lounge in the reception area. A big patio with a roof and a built-in grill looks out over a garden and a pool that sparkles. There are 5 bedrooms, each with its own bathroom and walk-in closet or dressing room. Gourmet kitchen with a separate laundry room and scullery. Four garages and two living spaces each with a bathroom and kitchenette. Fiber, fires, and heating under the floor. Rental doesn't include fees. Available right away.
