This light and bright, multilevel home is just a stone's throw from the clubhouse. The elevated meeting rooms, patio, and pool all have beautiful views. A grand, two-story entrance that is so beautiful it takes your breath away greets you. This home has 5 gathering rooms, making it both practical for everyday life and a great place to host family and friends. The ultra-modern kitchen is the heart of this house. It has a large walk-in closet, marble countertops, a gas stove, and a separate, large scullery. The kitchen is right next to the dining room, which has stack-away doors that lead to the back yard. The lounge is private and has central air conditioning to keep you cool in the summer. It also has glass doors that stack away. There is a formal living room with a fireplace, a big entertainment room/study with a view of the koi pond, a guest suite with air conditioning and a bathroom connected to the room, and another room with a kitchenette downstairs. There are 5 big bedrooms upstairs, each with its own private balcony and modern bathroom. All of them have air conditioning, underfloor heating, and access to the outside. The master bedroom is really big! It has a modern bathroom with a shower for the master bedroom, a walk-in closet, and a private porch. A great place to have people over because it has a built-in braai that leads out to a covered patio with a view of the well-kept yard, jacuzzi, and swimming pool. Four cars can fit in the garage, and there is plenty of room in the yard or carport for six more. A fireplace, air conditioning, ceiling fans, blinds, a jacuzzi, a koi pond, and an irrigated garden are some other features that are worth mentioning. The rent doesn't cover the HOA fee or utilities.
