This is a sunny, one-story house in Dainfern Ridge that is next to a beautiful park. The rooms are very big, and the house has a nice flow all through it. The double-story lobby makes you feel welcome and leads to three beautiful reception rooms. The lounge has a fireplace on both sides and opens up into a larger reception room with a stylish wooden bar, bar fridges, and a gas braai built right in. The kitchen is right next to the eating room. The kitchen is large and has a country style. It has a center island with wooden worktops, a gas stove, and a separate scullery or laundry room. This house has 3 large bedrooms, each with its own air conditioner and lots of closet space. 3.5 bathrooms, all of which are private. A nicely landscaped yard with a pool that sparkles. Other features that are worth mentioning are the two automatic garages that lead directly into the house, the staff housing, the fiber optics, and the temperature control.
