This old house gets a lot of natural light, which makes it a happy place to live. It's modern and made of porcelain tiles all over. The living rooms are large and bright, and they flow easily to the covered patio with views of the well-kept garden and pool, making it a great place to have guests over. There are formal and casual lounges and a dining room in the living areas. The modern kitchen is private and has clean white cabinets, granite countertops, lots of room space, and a separate scullery. There are three bedrooms and an en-suite master bedroom on the second floor, with two bedrooms and an en-suite bedroom on the first floor, making this the perfect home for large families who need a little extra space. There are three sheds and rooms for staff. The estate tax is not included in the rent amount.
