This beautiful four-bedroom family home is for rent in Dainfern Golf Estate, right next to a greenbelt. The following are some of the great things about this home: There are four large bedrooms, two of which are conveniently placed on the lower level. Each has a modern bathroom attached to it and a door leading directly to the garden. A study room that can be used as a fourth bedroom is also there. The master bedroom is on the second floor and has air conditioning, a large walk-in closet, and a private porch with a view of the wonderful garden.

The gourmet kitchen is the heart of the house. It has beautiful granite countertops, a walk-in pantry, a breakfast bar, and a separate area for scullery and laundry. The house also has a foyer, a cloakroom for guests, a traditional living room, and a dining room that leads to a charming atrium with a relaxing water feature. The TV/Family room is cozy and has a gas fireplace. Outside, there is a covered patio, a sparkling pool, and a well-kept yard that is watered regularly.

Other noticeable features include a double-assisted garage, fiber-optic internet access, and housing for staff.
