The modern design of this house includes a large living, eating, and kitchen area that are all open to each other. All of this easily flows through stackable doors onto the covered patio with gas braai, the well-kept garden, and the beautiful pool area. The home has a modern kitchen that is sleek and stylish and goes all the way down to the scullery. You can enjoy a cozy winter evening in the TV room, which is separate from the main living area. There is a guest toilet, a wine fridge with a temperature control, a gas stove, air conditioning, fiber, and beautiful high-end finishes and decor. On the second floor, there are three bedrooms, two luxurious bathrooms, and a study or work-from-home office area. There is a safe, upmarket, sought-after estate with a double garage that leads into the house. The property also has an alarm system and exterior beams for extra security. The rent does not cover utilities or upkeep for the pool or yard.
