This beautiful house is in a quiet, friendly neighborhood that's only 5 minutes from Cedar Road. This house has so many great features that it will be wonderful for you and your family. When you walk into the house, you'll notice the high ceilings and open-plan living area with a kitchen and a living room. So that you don't have to worry about the load sharing, the kitchen has a gas stove and oven. The beautiful wooden tables and face brick make the kitchen look like it belongs in a country house. You'll also find a large pantry behind the kitchen, where you can also keep your double-door refrigerator. There is also room for two tools that fit under the counter. The TV room is big enough and is also being used as a game room right now. There is also a bathroom with a toilet and sink right next to the bedroom. There are also two guest bedrooms that share two baths. Only a toilet is in the first bathroom. The second bathroom has a bath, shower, and sink. The building also has a dining room and a study area. The patio can be reached from the living room and dining room through stacking doors. This also lets a lot of light into the bottom level of the house. The master bedroom has a walk-in closet and a full bathroom. It is on the second floor of the house. There are also two bedrooms and a bathroom on the second floor. All of the rooms on the second floor have air conditioning, which is helpful on hot summer days. The house has a lot of space and is safe because it has an alarm system and an electric fence that goes around the whole land. Chartwell is also well protected because TRSS cars are always driving around the area. There are jungle gyms, a good-sized pool, a bonfire area, a cricket field, and a wendy house in the huge yard. The covered patio looks out over the yard and has a beautiful view of the countryside. It also has a braai built right in. Curro Chartwell, Montessori Eco Schools, Broadacres Academy, dog parks like Arch Animal Rescue, Broadacres shopping area, Cedar Square, Chartwell Coner, and Lanseria Airport are all close by. The airport is only a 15-minute drive away. Call me right now to schedule a viewing.
