The front door of this house has two levels and a beautiful grand staircase and chandelier that welcomes you. There are 4 well-placed gathering rooms, including a large family lounge with a gas fireplace, a formal lounge, a dining room, and a second lounge with a built-in bar. This house is perfect for getting together with family and friends. The house has a lot of storage room, including two large walk-in closets and storage under the stairs. The kitchen is modern and open-plan. It has a breakfast nook, a separate scullery with room for three under-counter appliances, a big pantry, and an electric range that can be switched to gas upon request. There is a guest toilet and a huge guest suite with air conditioning and a full bathroom right next to it downstairs. There are 4 large bedrooms and 3 bathrooms on the second floor, with 2 of them being en-suite. Besides the beds, there is a pajama lounge and another room that could be used as a study or a playroom for kids. All of the bedrooms have air conditioning, lots of storage space, and private balconies with views of the yard and pool. This house has a big greeting room that is not connected to the house. This room could be used as an office, a game room, or a gym. Landscaped yard is very big and has a sparkling pool with a cover. There is also a generator, pre-paid electricity and water, staff housing with a bedroom, bathroom, and kitchenette, and 3 automated garages with road parking for 6 more cars. This home is in a gated community with security guards on duty 24 hours a day, and the rent includes weekly pool and yard service. Pet-friendly, This house would be available from February 1, 2024.
