This gorgeous family home is in a lovely big yard that goes down to a river. It has an entry hall, a living room with a gas stove, and a patio with a swimming pool. There is an open-plan modern kitchen with a gas stove, granite countertops, a breakfast bar, a walk-in closet, and an included fridge and freezer. There is also a scullery that is plumbed for a dishwasher, washing machine, and dryer. A method for filtering drinking water was set up. There is a guest bathroom or cloakroom, storage space under the stairs, and four bedrooms with two full baths each. The main bedroom has a full en-suite bathroom with a shower and a bathtub. It is air-conditioned through a ceiling cassette and has a large dressing room with lots of storage space and a patio off the bedroom. There is a three-car garage with a double auto-door and a single auto-door, housing for workers, an operating borehole with a storage space for 2,500 liters of water, a pressure pump, and garden irrigation.
