This house has 4 bedrooms, and 2 of them have their own bathrooms. The study is often used as the fifth bedroom, so it could be five. Most bedrooms have sliding doors that lead directly to either the yard or a patio outside. There is a guest toilet, a traditional living room, and an open-plan family TV room with a fireplace that leads to a covered patio with a built-in barbecue and a view of the pool. The dining room and study both lead to a second patio with a view of the Dam, where you can relax and have fun. Large, open kitchen with breakfast bar, separate laundry room, and large pantry. The beautiful light wood kitchen unit has granite countertops, stainless steel appliances, and 12volt lighting. There is a backup electrical system and a bedroom, bathroom, and kitchenette for staff. Two garages and a carport (with its own door). Fully walled, safe and secure, with a yard that has been landscaped and grown in. Rent does not include estate duty.
