This is a big family home that could be used by people who work from home or have a large family. in a leafy, gated area in Bryanston that only certain people can enter. There is a big hall that leads to a large living room with a fireplace. The room leads out to a patio with a bar and a big table that's great for parties. The separate guest suite has two bedrooms, a bathroom, and its own entrance. It is great for offices. The eating room is separate and has a door that leads to the patio. Another formal lounge has doors that lead to the patio and the pool, which is very appealing. There are four bedrooms and three bathrooms on this side of the house. The sliding doors in the main bedroom lead out to the pool. There is a full bathroom and a big walk-in closet. There is also a study next to the bedroom. The kitchen is set up in a country style and has an electric stove and oven that are eye level. The additions include a double garage with a workshop, a storage room, a flatlet, and housing for staff. This house is a must to view, contact us today.
