Through a front door with two levels, you can get into a large hall. This house faces north, which is great. The living room is more formal and has a gas fireplace. It leads out to a beautiful pool area, which runs into the dining room and modern gourmet kitchen, which is open to the living room and has a gas stove and oven. There are sliding doors in the kitchen that lead to the patio and pool area. It has a separate scullery with room for three machines that fit under the counter. The TV/family room is right next to the kitchen. It leads to three carpeted bedrooms, two of which share a full bathroom. There is a king-size bed, a walk-in closet, and a full bathroom in the main bedroom. The extra bedroom with its own bathroom is to the left of the front door. This house comes with a double garage, an alarm system, and underground heating.
